

News

Welcome to our latest newsletter. I hope you all had a great summer(winter for those of you in the southern hemisphere). It has been a while since I issued a newsletter and a lot has happened.

The New Library of Birmingham re-opened last week and we are now able to offer a search service where we can go to Birmingham(and Warwick, Worcester, Stafford and Lichfield) record offices and get copies of parish register entries for you, please see details in the shop [here](#)

BMSGH now have an agreement in place to sell downloads of SPRS(Staffordshire Parish Registers Society) transcripts. All their CD's are now available as downloads and many other recent transcripts, the remaining ones are being scanned and digitised, hopefully for completion by Easter 2014.

It was the BMSGH's 50th anniversary this year and Michael Sharpe wrote a book to celebrate, we still have a few copies left, so if you would like a hardcopy, see the eShop home page. **Note that members of the BMSGH will be able to download a free copy of this book using the Coupon code in the June 2013 edition of the Midland Ancestor magazine.**

We are also working on digitising Birmingham Witton Cemetery. We have photographed all 79 registers and have completed transcribing and indexing up to volume 26, these indexes are on www.FindMyPast.co.uk and we offer a [service](#) via the shop where you can order a copy of the register entry. The remaining volumes are currently being transcribed by our army of volunteers from all over the World and they have completed up to volume 70, however, we always check transcribing before publication so this is on going. We also transcribe smaller publications and are looking for volunteers who can help with transcribing, all you need is a PC, Excel and spare time, if you are interested, please register via the shop [volunteer](#) item. We also have original images for sale for three other Birmingham cemeteries, Warstone Lane, Key Hill and Handsworth, again, indexes are on Findmypast and images can be ordered from the shop.

Stock Clearance Sale

We are continuing with our Stock Clearance Sale, available only while stocks last. Over 650 items have been reduced in price as follows:-

- Monumental Inscriptions on microfiche – at least 50% off. We have a minimum postage charge but as microfiche do not weigh very much, you can get loads of microfiche for the minimum postage charge. Discounted prices start at just £0.50. We will not be making any more microfiche, so once stocks are sold, they will be taken off sale.
- Census - microfiche/books/CD's - Many at up to 75% off
- Many other books up to 75% off

To see a list of items in the stock clearance sale, select “Stock Clearance” under Categories on the left side of the shop home page. You can sort these items, see the next section for details.

How to use Advanced Search

The shop has two search facilities to enable you to find items. The search on the blue bar on the Home page will search item titles in the categories selected. But this does not always produce everything you may be looking for. If you click on the “Advanced Search” option, you can enter your search keyword(s), select category if required, and then tick the “Search in Product Descriptions” box, the shop will then search not only the title, but all items descriptions giving you more results.

Once you have clicked on search and have your results, you can now sort them by selecting an appropriate option in the “Sort by” field, eg you can sort by name(A-Z), by price, and various other options.
