Stock Clearance Sale

We are continuing with our Stock Clearance Sale, available only while stocks last. Over 650 items have been reduced in price as follows:-

- Monumental Inscriptions on microfiche – at least 50% off. We have a minimum postage charge but as microfiche do not weigh very much, you can get loads of microfiche for the minimum postage charge. Discounted prices start at just £0.50. We will not be making any more microfiche, so once stocks are sold, they will be taken off sale.
- Census - microfiche/books/CD's - Many at up to 75% off
- Many other books up to 75% off

To see a list of items in the stock clearance sale, select “Stock Clearance” under Categories on the left side of the shop home page. You can sort these items, see the next section for details.

How to use Advanced Search

The shop has two search facilities to enable you to find items. The search on the blue bar on the Home page will search item titles in the categories selected. But this does not always produce everything you may be looking for. If you click on the “Advanced Search” option, you can enter your search keyword(s), select category if required, and then tick the “Search in Product Descriptions” box, the shop will then search not only the title, but all items descriptions giving you more results.

Once you have clicked on search and have your results, you can now sort them by selecting an appropriate option in the “Sort by” field, eg you can sort by name(A-Z), by price, and various other options.

We would welcome your feedback on our shop newsletter, is it too long, too short, is there anything else you would like to know about the shop. Are there products you would like adding to the shop?
