

## News

Just a quick newsletter to keep you informed of additions to the shop and to notify you of events for the next month.

## 2<sup>nd</sup> Hand shop

We have recently received a lot of donations of unwanted Family and Local history books, maps, census microfiche, and other items, so we have now launched a “Used Items” section in our main shop, see the black bar across the top of the shop or click [here](#) to go straight there.

To date, we have added around 100 items and have another 300-400 items to add, which we will do over the coming months. Items are very reasonably priced and we hope you find this section of the shop interesting. Watch this space for news of another 2<sup>nd</sup> hand bookstall which we will be hosting shortly for one of our partners.

## Events

### **Volunteers Wanted**

We currently have volunteers all over the World who help with transcribing work for our many projects. If you have some spare time and would like to volunteer to help with transcribing, please go to this [link](#) in the shop and register or get in touch via the contacts details at the end of this newsletter. All you need is a PC with an Internet connection, we will provide all the information required to get started.

### **How to use Search**

The search facility has changed since we upgraded the shop software in December 2013. To find an item, enter the search criteria in the search box at the top right of the screen and press enter/click on the magnifying glass symbol. You will then get a list of products that meet the search criteria, however, there could be more items available, if you click the “Search in product descriptions” button and click on search, more products could be displayed. If you get too many items returned, you can restrict the search by selecting a Category, eg Staffordshire or maps, etc.

You can now display results of your search either as a list or as a grid. You can select how many items to display per page and also select how to sort the items on the page, eg by Name(A-Z), Price(low>high), and more.

### **Feedback**

We would welcome your feedback on our shop newsletter, is it too long, too short, is there anything else you would like to know about the shop. Are there products you would like adding to the shop?

### **How to Unsubscribe**

You are receiving this newsletter as you requested it when you registered with the shop. Should you no longer require the newsletter, login to the shop, go to My Account (now at the bottom) and select “Subscribe/unsubscribe to newsletter” option and amend your preference. Or you can email us and ask us to unsubscribe for you.
